

Terms and Conditions for Solar Finance Promotion:

1. The Solar Finance Promotion is brought to you by GroDev, in partnership with Standard Bank, and is valid for a limited time only.
2. The promotion includes the installation of an Alpha ESS 5kW inverter with a 3.8kWh battery, along with 6 solar panels, all fully installed at your premises.
3. The monthly rate for the promotion is approximately R2456 per month, subject to individual risk profiles, property specifics, and Standard Bank's financing terms and conditions.
4. The promotion includes a 10-year Manufacturer Swap Out Warranty for the inverter and battery.
